Bold and daring: that's the Ikonik Anglí

The Ikonik Anglí is an original boutique hotel located in uptown Barcelona in a relaxed and comfortable setting. Stepping inside is entering a world where you can let your imagination run wild: a hotel with graffiti, designer furniture and colourful common areas.

The Ikonik Anglí stands out not only for its innovative style, but also for its tranquillity. Located at the top of the Sarrià neighbourhood – a particularly peaceful area at the foot of Mount Tibidabo – its rooms are an invitation to relax, just like its gardens and pool, surrounded by nature and the original architecture of the building.
